

Aeroquip

DOT-Approved Brake Lines and Adapters

Innovation Sheet

When Looking Good is Not Enough.

For maximum performance, superior looks and the height of versatility, Eaton's Aeroquip Performance Products introduces a universal brakeline specifically made for the aftermarket.

These factory assembled brake lines are DOT approved (Meets specification FMVSS106) and provide the custom appearance everyone is looking for. The brake lines are also guaranteed not to expand under pressure and provide an easier and more positive braking action.

Feel confident with the industry's only hose manufacturer, Aeroquip Performance Products.

Features

- 304 stainless steel braided PTFE smooth bore hose
- UV resistant clear coat polyvinyl chloride sleeve
- Meets DOT specification FMVSS106
- Nickel-chrome plated end fittings and adapters for superior appearance
- Multiple adapters
- Factory assembled brake lines to meet your length requirements

Benefits

- DOT approved
- Clear coat sleeve prevents chafing
- Universal ends make installation easy
- Multiple adapters to fit most applications
- Used in almost every brake application in motorsports
- Superior performance and looks
