# F-T-N Aeroquip

### A/C Stainless Steel Braided Hose

Innovation Sheet

#### **Benefits**

- Superior looks
- Superior performance
- Extensively field and lab tested with R-134a refrigerant
- Reusable fittings allow you to make custom hose assemblies for your specific applications.

## Look as cool as you feel.

Your street rod is "cool" because of your demanding attention to detail. And although perfection is your goal, up until now you have been forced to accept industrial-looking A/C hose & fittings, or worse yet, stainless steel braided versions that didn't work.

Aeroquip Performance Products has responded to your endless pursuit of detail and perfection with the development of an A/C hose & fitting product designed specifically for street rod A/C components, and your impeccable standards

#### **Features**

- Superior appearance with stainless steel covered hose available in sizes –6, -8, & -10
- Nylon tube for outstanding refrigerant performance
- Nickel-plated steel reusable fittings, with reusable charge ports, offer field serviceability
- Female O-ring pilot terminal ends for precise connections with existing A/C components
- O-ring seal between the hose and fitting nipple increases fitting & hose assembly integrity
- Trusted Aeroquip Performance Product quality

#### **Technical Data**

#### A/C STAINLESS STEEL BRAIDED HOSE
