The Aeroquip FCM3662 Hand-Held Hose Cutter

Aeroquip's new hand-held hose cutter has been specially designed for cutting all non-wire reinforced hose, such as Aeroquip StartLite™ and SOCKETLESS™ hose styles.

The hose cutter's compact size makes it ideal for working in confined areas. It provides fast, accurate easy cuts – every time.

Specifications and Ordering Information

Part Number	Description
FCM3662	Hand-Held Hose Cutter
FCM3663	Replacement Blade
FCM3664	Tool Pouch

Performance Products

- Features a replaceable stainless steel blade that closes into its own handle for safe carrying and handling
- Includes tough, durable nylon handles
- Offered with an optional tool pouch
- Saves time and effort due to its small size and lightweight design
- Cuts all sizes of Aeroquip High Performance non-wire-reinforced hose

The rotating/rocking technique produces fast easy cuts.
